## Terms of contract

*(Status 2024)*

1. I hereby grant the library of the University of Applied Sciences and Arts Hildesheim/ Holzminden/Göttingen the non-exclusive, perpetual right of use to reproduce the above-mentioned publication on its servers, to store it, to make it publicly accessible and to transmit it for individual retrieval in data networks. The rights of utilization in other forms remain unaffected by this. The University Library does not pursue any commercial interests with the publication. The authors do not receive any remuneration from the university library.
2. I declare that I am authorized to dispose of the copyrighted rights of use to the work and further declare - also on behalf of any co-authors - that the rights of third parties are not infringed by such publication. This also includes any illustrations or multimedia elements (e.g. photos, graphic elements) contained in this work.
3. The responsibility for avoiding conflicts of interest lies with the holder of the exploitation rights and not with the university library.
4. I take full responsibility for the content I post and assure you that the documents I distribute are of a scientific nature, in particular that they do not glorify violence, incite hatred or pornography, incite criminal acts or violate the personal rights of third parties. [[Please also note the information on export control](#)].
5. If personal data has been collected (Art. 4 GDPR), I assure you that it has been anonymized in accordance with the data protection regulations or that a declaration of consent for publication has been obtained from the persons concerned.
6. The university library reserves the right to block public access to a publication if there are concrete indications of an infringement. The university library is not liable for damages resulting from the infringement of copyrights and exploitation rights, unless there is evidence of willful intent or gross negligence on its part. In cases of doubt or if alleged or actual infringements of rights occur, the authors assure to inform the university library immediately.

7. The metadata of the documents and their link to the full text are listed in the catalog of the university library and in other catalogs of public institutions. The metadata and electronic documents are forwarded to the German National Library as part of the legally regulated mandatory submission of online publications.

8. The university library is permitted to convert the documents into other file formats or to make other technical changes, in particular for the purpose of long-term archiving.

9. The university library accepts no liability in the event that the publication is illegally downloaded, modified or published elsewhere by a third party without the author's consent.
